

Dear Presenters

We warmly encourage you to submit a summary of your presentation for inclusion in IATEFL BESIG Iași 2018 Conference Selections.

This seventh volume in the *Annual Conference Selections* series will be available as an open-access digital edition to members of the BESIG community and all our followers. It is scheduled for release in spring 2019.

The summary should be a description of your session, in that it should reflect not only what was presented but, where appropriate, the feedback from and interaction with the audience. The summary should be a complete article with paragraphs and subheadings and be between 600 and 1000 words.

Your summary is primarily intended for publication in this new edition of Conference Selections, but you may publish a version in Business Issues or elsewhere. Please contact the BESIG Editorial Team before submitting if you're considering this.

The deadline for submissions is 31 January 2019. Please send submissions to bet@besig.org
