* *Victoria Beckham talking about her fans in Japan*

SLIDE 7

So, it was amazing yesterday, at the airport. There was lots of lovely little Japanese people there to greet me.

*

There was tears, which I always ..., I always like it. I think that that shows you're a true fan, when you cry or when you pass out. When the paramedics are called, it's always a good sign. That shows real determination as a fan, I think.
