**** All prices are single occupancy based upon the current listed price online for 10-14 November 2022 at the current exchange rate (1 GBP = 5.70 pln). Prices and exchange rate are subject to change.**

Note: There are hundreds of hotels in Gdansk and many of them in Old Town. Additionally, this area is full of apartments from Airbnb. 11 November is a national holiday, so many will be empty and available. We suggest the Old Town area for the ambiance, the choices of shops, bars, restaurants, and its proximity to the venue, but feel free to explore other parts of the Tri-city area (Sopot and Gdynia).
